

Story Board

There is a virus that is making a lot of people sick right now. I hear my family talk, and I am learning about it from the news. It is making me feel worried.

I feel worried, but I know that my family is doing everything we can to stay healthy.

We are staying at home so that we can stay healthy. We do not go to the park, school, or to work.

When it's nice outside, we can go play in our yard, or sometimes go for a walk or bike ride. My family will keep me safe and healthy.

Sometimes I worry that someone in my family might get sick. If someone feels sick, they might need to go see a doctor. The doctor will do everything they can to keep them healthy and safe.

If someone is feeling sick, they may need to stay in the hospital, or they might get to go home. The doctor will decide what is best for them. The doctor is doing what is best for that person.

Story Board

Sometimes I worry about getting sick. But, I remember that my family and the doctors are doing everything they can to keep me safe and healthy.

We are staying home to stay safe and healthy.

I am doing school work on the computer. My classmates are also doing school work on the computer. We are all learning the same things.

Sometimes I get nervous when I think about going back to school.

But, I remember that my family and teachers are doing everything they can to help me and my classmates with our school work.

We will get to play together soon.
