About the Role

You will play an integral role on our Physiotherapy team, collaborating within a dynamic, multidisciplinary environment to support children and youth (birth to 21 years). In this role, you will help clients achieve gross motor developmental milestones, enhance independent mobility, and build confidence in their physical abilities.

- Assess, develop, and implement individualized therapy plans for children and youth with needs related to gross motor skills, posture, balance, coordination, and mobility
- Partner with families, educators, and childcare providers to promote meaningful participation at home, school, and in the community
- Provide guidance, mentorship, and supervision to Physiotherapy Assistants
- Apply innovative, evidence-informed approaches such as the F-Words of Child

- Development and strengths-based therapy to empower children and families
- Collaborate and communicate with medical professionals and interdisciplinary care teams to support shared goals
- Contribute to the growth and evolution of pediatric therapy services within a new, state-of-the-art facility

What We're Looking For

- Registered and in good standing with the College of Physiotherapists of Ontario.
- A passion for working with children and their families.
- Strong communication, organization, and time management skills.
- Ability to work independently AND collaboratively as part of an interdisciplinary team.
- French fluency is an absolute asset but not required

Additional Details

- Must have a valid Ontario driver's license, insured vehicle, and adequate liability insurance.
- Police Vulnerable Sector Check
